Booth: #405

Hosted by the Carolinas Collision Association (CCA) and the Washington Metropolitan Auto Body Association (WMABA), the Southeast Collision Conference is back to serve repair shops in the industry. This year's event will include a premier trade show, education opportunities, and presentations from collision industry leaders.

If you're attending, be sure to stop by Mitchell's booth. You'll learn more about our innovative technology solutions for estimating, diagnostic scanning, ADAS calibrations, and more—helping you deliver proper, safe and efficient collision repairs.
